Matt-

AS of now, I have a district court case in Fall River scheduled for Tuesday, but I haven't heard anything recently about the odds of it actually going to trial. I'll try to contact the ADA to see what's going on with it and let you know. Since you are Superior Court, though, you would be my priority. Wednesday morning at 9 would be better as the only other case I have scheduled that day is a district case in Springfield. I'll keep you informed.

Hi Sonja,

I believe we summonsed you on this a week or so ago but told you to just stand by while we were in the trial pool. I was just informed by the judge that this will be going to trial on Tuesday, 1/31/12. I will therefore need you to testify. I expect I will spend most of the morning picking a jury and putting in the evidence through the police so I don't want to waste your time sitting around here. Can you plan on being "on-call" for Tuesday afternoon after 2PM or Wednesday morning at 9AM? Please let me know what works best for you and I will try my best to accommodate you with as little waiting around as possible.

Thanks,

Matt
